• This is Hank's story •

Hank is a 1.5-year-old, 40lb. pit bull mix, that was rescued from euthanasia at a high-kill shelter. He is currently in a foster home, awaiting his forever family. His kind, affectionate, & loyal nature makes it surprising that he hasn't found his match yet. He thrives on human connections. Loves cuddling on the couch and going for walks with his person. He seeks a home where he can be the only dog.
