MEET ATHENA

Athena has to find a new home as her owner is unable to physically care for her. Athena is the perfect dog

Athena is a sweet, well-mannered 7 year old girl who would make a wonderful addition to any family. She does great with kids and gets along well with other dogs, making her an excellent companion in a busy household. Athena is fully house-trained and walks nicely on a leash, so outings with her are a breeze. She's loving, gentle, and ready to find a forever home where she can thrive.
