

# URGENT!

## NEED a foster/adopter for **Charlene!**

- **URGENT** only because her foster cannot keep her, needs a new foster/foster-to-adopt home
- Sweet, playful 3-year-old, spayed female, pit bull-type mix (Approx. 50 lbs, tan & white)
- Charlene is a joyful, goofy, affectionate girl who loves toys, water play, and snuggles
- **Must be an only dog or with a compatible, stable dog**, previously lived with an older male dog
- Warms up fast to women and warms up to men with a couple positive meetings
- **Moderate energy** — loves to run & play, then cuddle up like a pro snuggle bug
- Walks well on leash, curious, social, **not reactive, smart and eager to please**
- **Best in a home without very young kids, older, dog-savvy children are a great match.**
- Thrives with patience, structure, and time to decompress and bond

*Her perfect match is an experienced dog guardian who is patient, kind and committed.*

**Charlene is loving, silly, and ready to bond deeply with someone special. If you can open your home for foster or foster-to-adopt, Charlene will give you her whole heart.**

**Adoption Fees are waived!**
