Adopt Me!

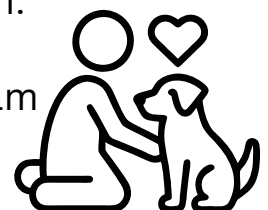

MEET BOO.

Boo is a 4-year-old Cane Corso who was originally rescued from Trenton Animal Shelter. She's a gentle giant who loves children and gets along great with other dogs. Though sweet-natured, she doesn't always realize her size and can be a bit lively indoors.

Her current family has a small yard, and Boo needs more space to run and play. She's been with them for about two years and is now looking for a home better suited for a large, active dog. Boo also needs an eye surgery that her family cannot afford. We (volunteers) are happy to fundraise to get this covered.

She is house-trained, crate-trained, and walks nicely on leash. Boo is spayed, microchipped, and up to date on all vaccines. They're seeking a loving, experienced home with room to roam where Boo can thrive.

Please call/text Shirley at (609) 915-4926 to meet Boo!
